Learn how to properly care for your foster or adoptive child's hair and skin. Join us as we talk about hair care, products, styling, skin care, and more with an area licensed cosmetologist as well as an adult adoptee. If appropriate, you are welcome to bring your child, especially if you struggle with their hair or skin.

*This workshop is FREE to all. To register, please contact Christy Reppe by March 18th at 715-832-6644 x19 or email [creppe@cclse.org](mailto:creppe@cclse.org).*
